

// ANY TEAM COUNTS

SEPARATE FROM THE TOURNAMENTS

Any team counts: another club, a veterans' team, a company team. It buys its kit at EKANA's normal price, and it earns the same when it introduces the next one.

HOW THE CREDIT WORKS

In the order it happens. Every team you introduce runs the same cycle.

THE CREDIT

- ◆ It is a credit off your next season's kit order.
- ◆ It is counted when the introduced team's order is paid.

WHAT IT IS NOT

- ◆ It is never a refund on this year's kit, and never cash to a person.
- ◆ Past a free kit, the rest is promotional credit carried to the following years' purchases. Never cash.

THE CHAIN, AND WHERE IT STARTS

- ◆ The team you introduce earns the same when it introduces others.
- ◆ You tell EKANA who you introduced. EKANA counts it when that team's order is paid.
